

# Robert L. Williford Scholarship Application

An Endowment for the Robert L. Williford Scholarship was established in 2006 by the family of Bob and Betty Williford. Senior students enrolled at the Elbert County Comprehensive High School are eligible to apply for the Robert L. Williford Scholarship. A scholarship selection committee composed of members of the high school staff, and a member or a representative of the Williford Family, will select a scholarship winner annually.

The Williford Endowment is managed by the Athens Tech Foundation. The disbursement of funds from the Williford Endowment by the Foundation will be contingent upon the scholarship recipient's admission to Athens Technical College and enrollment in a program of study. In order to remain eligible to receive scholarship funds, recipients must remain enrolled at Athens Technical College and must maintain satisfactory academic progress. The Office of Financial Aid will permanently withhold future scholarship disbursements if a student does not remain in good academic or financial aid standing. If a scholarship recipient withdraws from all classes during a semester for which scholarship funds were received, the student will be required to reimburse the Robert L. Williford Scholarship Endowment an amount equal to the amount received for that particular semester, before registering for future classes at Athens Technical College.

Scholarship funds may be disbursed directly to the student to be used for tuition and fees at Athens Technical College, or for books and supplies at the Athens Technical College Campus Bookstore. **To process scholarships, students must visit the Financial Aid Office** – Room 704, and see the Scholarship Coordinator **EACH Semester** to fill out the appropriate paper work. The Financial Aid Office will NOT disburse scholarship funds without the signature and permission of the student.
