ECCHS Vision-Nurturing, Educating and Graduating Tomorrow's Leaders...The Blue Way

School Improvement Initiatives (As based on GaDOE CNA)-We commit to:

1. **Student Achievement**-Continued PD on Rigor/Relevance/Literacy (EOC success)
2. **Coherent Instructional System**-Continued reflection on master scheduling (ELT, Blue Devil 101, Freshman Academy, Pearson Connexus, Personalized Learning)
3. **Supportive Learning Environment**-Continued focus on providing a nurturing environment built on respect and positive relationships.
4. **Family and Community Engagement**-A defined expectation to address the community, and build capacity through continual presentation/delivery. (Open House, Principal Talks, Academic Nights, etc.)

We will do all of the aforementioned by/through:

1. Pervasively implementing a behavioral modification initiative (PBIS) which builds upon a positive culture for Faculty, Staff, and Students.
2. Ensuring that we are working through our 1:1 initiative to provide instruction and opportunities with the tools necessary to address 21st Century expectations.
3. Placing relevance at the forefront of curriculum and instructional decisions.
4. Empowering students to become agents of their own learning.
5. Empowering families to become involved in daily school process.
6. Empowering faculty/staff to become risk takers, who negate status quo.
7. Empowering community stakeholders to become a true voice in the SIP process.
8. Working through content, and cross departmental collaborative(s), to share best practices.
9. Working to ensure fairness, not equality
