Special Week Honors Georgia's School Boards

The Elbert County School District is joining in a statewide celebration this week to salute the efforts of local school board members. The week of March 18-22, 2019 has been proclaimed School Board Appreciation Week in Georgia. The weeklong observance, sponsored by the Georgia School Board Association, calls attention to the contributions of local boards of education.

"Citizens elect board members to represent the community's voice on education matters and to set the vision for the school district," said Superintendent Chuck Bell. "Our board spends countless hours fulfilling its responsibilities and working together to continually improve our school district."

The men and women serving our school district and their years of service are:

Chairman Ben Baker – 12 years
Vice Chair Teresa Barnett – 12 years
Keith Harper – 6 years
Mike Turner – 2 years
Samantha Rucker – 3 months

Thank you to each of our board members for serving as advocates for the students in all Elbert County Schools.
