

EC Online

In response to Covid-19 and feedback from our community, Elbert County School District has created a K-12 digital learning option, EC Online, for families not wishing to return into the school building for face-to-face instruction at this time. It is important to understand this new digital learning experience for the 2020-21 school year is not structured like distance learning from this past spring. Each school will provide additional information.

Grades K - 5

Elbert County School District, in partnership with Accelerate Education, will provide Georgia Standards of Excellence instructional content. Students will receive instruction through Accelerated Education supported by ECSD staff. Students will learn through a combination of videos, texts, and workbooks.

To learn more about Accelerate Education’s online platform and experience, please click on the links below.

- Information sessions will be available on each school’s Facebook page through Facebook Live
- Parents must commit to participating in EC Online option by July 27th

Please go to this link to register for [EC Online](#).

- The expectation, rigor, and time commitment of an online class are similar to those of a face-to-face course. Online coursework places more responsibility to be a self-motivated student. For the student to be successful, the student, parent, and school must work together.
